Stay Notified

The City of Highland Village has launched a new mass notifications system for its citizens. Civic Ready is a communication service that sends immediate alerts to Highland Village residents who are subscribed to the system. HVPD E Watch, Water Conservation, Street Construction, and Community Alert messages have been added to the new system. If you were signed up on any of those lists, select **"Already a Member"** and then **"Forgot Password."**

All users will have the ability to customize their notification preferences after signing up. Alerts can be sent via email, text, and/or phone call so you never miss important communication about an emergency event in the area.

Examples of routine notifications include:

- Police e-Watch messages
- Upcoming city-wide events
- Changes to trash pickup
- Water conservation
- Road closures

Examples of emergency notifications include:

- Severe weather alerts
- Missing persons
- Evacuations

Visit <https://www.highlandvillage.org/1000/Stay-Notified> to sign up.

Did you Know?

Highland Village was incorporated in February 1963 after approximately 100 lakeside residents decided to make their homes permanent. Many of the early residents were professionals from the Dallas area who wanted to "get away" for the weekend and enjoyed it so much they moved to what became Highland Village.
