**CONGRATULATIONS
GRADUATES**

*Special
Edition*

May

Kenny Jennings

Congratulations 2021 graduate Kenny Jennings! Kenny was a four year member of the Marcus Cross Country Team and worked at Kroger for the past two years. He will be attending the University of Oklahoma in the fall.

Caleb Capek

Caleb Capek will be graduating in May and attending the University of North Texas this fall studying business. His goal is to be an entrepreneur and own his own business. Caleb is a 3rd degree black belt and four-year Marcus wrestler. He is such a great kid with an amazing personality and sense of humor. He really loves hanging out with his friends and family and we will really miss having him with us every day.

Madeline Wilson

Madeline Wilson is a 2021 Flower Mound High School graduate and will be attending Oklahoma State University at Stillwater with a major in General Business – Pre Law. Madeline has been active in varsity softball, FCA, Science National Honor Society, Math Honor Society and various volunteer projects with classmates in the local community. Madeline has enjoyed living next to the lake and spends much of her summer surfing and wakeboarding.

Joseph Castellanos

Joseph Castellanos is a member of the Marcus High School graduating class of 2021. He played Basketball for Marcus for the past 4 years. He was in their AFJROTC for 3 years and has enlisted to be a US Army Ranger, reporting for basic training in July 2021.

Castlewood Class of 2021

Will Van Zee

Will Van Zee is a senior graduating from Marcus High School. He has played Varsity Football and run Varsity Track at Marcus. He plans to attend University of Arkansas and study engineering this fall.

Spencer Stark

We are very proud of our son, Spencer Stark, who is graduating from Marcus. He is a Texas Boys Statesman, Eagle Scout, and 1st Team Academic Allstate for Football. He is also very involved in youth group and is a member of the Elm Fork shooting team. Spencer is industrious and energetic, qualities that helped him create a small power washing business- in fact you may have seen him around Castlewood cleaning driveways and pool decks. His future plans include earning a degree in business and construction management at BYU, serving as a missionary, and of course creating more businesses.

Andrew Leone

Andrew is a Texas native, born in Irving, TX in 2003. He has lived in Castlewood since 2006. He is a four year swimmer and water polo player at Marcus. He is also an Eagle Scout. He will be attending the University of Arkansas in the fall.

“Andrew great job at Marcus. We know you will do awesome at Arkansas!”

Love – Mom, Dad, Allison & Emily.

Rachel Belanger

We are so proud of our daughter, Rachel Belanger. She committed to graduating early. This meant taking courses for two years in one. All the while maintaining a 3.95 GPA. In the fall Rachel will attend UTD to obtain her Associates Degree before transferring to CU Boulder. She will study photojournalism and marketing. As her family we know there is nothing she cannot accomplish if she sets her mind to do so.

Jacqueline Camille Anderson

Jacqueline Camille Anderson is a Marcus High School graduating senior and also a Girl Scout Gold Award candidate. In the fall she will attend North Central Texas College.

Josh Halcomb

Josh Halcomb started at McAuliffe Elementary, next to Briarhill Middle school, then onto Marcus High school. He has been studying the Dual Credit Welding Program with NCTC. He has mastered different types of welding and intends on getting into the Navy to weld.

He enjoys skateboarding, biking, waterskiing, snow skiing, jumping from bridges, and sleeping late. He enjoys making things with his hands. We are so proud of him. He has the whole world ahead of him.

From boy scouts to the Navy serving his community. Excited to watch this young man soar!

Castlewood

Reya Mosby

Our daughter, Reya Mosby, is a senior at Marcus High School. During her time at Marcus, she was in Varsity Choir, a member of the award winning acapella group Fusion, as well as the feature/opinion editor and business manager of the school newspaper, the Marquee. Reya will be attending the University of Texas at Austin in the fall, where she will be a part of the Honors Program in the Moody College of Communications. She plans to major in journalism and minor in political communications. Her dad, sister, and I are so incredibly proud of her and can't wait to see what God has in store for her next!

Chase Audas

We are so proud of Chase and the incredible young man he has become! Chase will be pursuing a degree in business and entrepreneurship.

Brock Alsaffar

Castlewood resident, and Marcus High School alum, Brock Alsaffar is graduating cum Laude from Texas Tech University. Brock will be receiving a Bachelors of Arts degree in Music Education. His passion for music began when he picked up a trumpet in the Briarhill Bulldog Band hall and grew tremendously during his time in the Marcus Band. Brock is pursuing a teaching position in the DFW area and hopes to ignite the same passion among future generations of talented musicians. His family wishes him much success.

Class of 2021

Nolan Blake

Nolan Blake will graduate this May from Marcus High School. Nolan was on the Marcus Golf team for 4 years, is a member of the National Honor Society (NHS), the Math Honor Society (Mu Alpha Theta), National Society of High School Scholars, on the Leadership Team for FCA (Fellow Christian Athletes), on the Genesis iPad Team 2019-2020, recipient of the Victorious Warrior Award Marcus High School Varsity Golf 2020, recipient of Marcus Marauder Awards for Dedication to Excellence, recipient of the LEF Scholarship for Lake Park Senior Men's Golf Association as well as the Top Merit Academic Presidential Scholarship. We are beyond proud of your hard work, dedication, perseverance and the compassionate young man you are.

2021 Pool Season

The pool opens May 1, 2021

The pool is open daily from 10:00 a.m. to 10 p.m.

Residents may bring guests this season and the pavilion is available to rent.

If you need a new or replacement pool card please visit www.castlewoodhoa.com or visit the on-site office during business hours.

Landscaping and the Winter Freeze

After consulting with landscaping professionals, listening to the concerns of residents, and considering the availability of replacement landscaping the BOD has established a timeline for residents to remove all dead landscaping due to the winter storms in February.

All dead landscaping must be removed by the end of May. Violations will be issued in June and daily fines of \$10 will begin in July until which time the dead landscaping has been removed.

The association encourages residents to replace lost landscaping but understands that demand is high, and availability is low and that the hot summer months are not an ideal time to plant new landscaping. Residents may revisit options to replant lost landscaping in the fall. ***The association's priority at this time is for residents to remove all dead landscaping from their yards in a timely fashion.***

If you receive a violation and wish to appeal, please plan to attend the next monthly BOD meeting to bring your concerns to the BOD. Residents should be prepared to provide sufficient evidence as to the likelihood of the landscaping in question thriving in the future. The burden of proof in each case falls to the resident.

The City of Highland Village collects yard waste each Monday. Please review the following guidelines before placing yard waste at the curb for pick-up:

- *Yard waste should be placed at your curb in biodegradable brown kraft bags.*
- *You can place up to 20 bags at the curb for pickup.*
- *Yard waste is defined as lawn, grass, or shrubbery cuttings or clippings and dry leaf rakings, small tree branches (not to exceed 4-feet in length), bushes, shrubs, green leaf cuttings, fruits or other matter usually created by refuse in the care of lawns and yards.*
- *Exceptions are large branches, trees, bulky or non-combustible materials that are not manageable by a single worker on the back of the truck. To dispose of these items, please call CWD at 972-392-9300 to schedule pick up of larger branches or trees for an additional cost.*
- *Yard waste in non-biodegradable containers such as garbage bags will not be picked up as yard waste but rather left at your curb to be picked up on your regular solid waste collection day and will be considered bulk waste that will be hauled to the landfill for disposal.*
- *All trees, shrubs and brush trimmings must be cut, tied with biodegradable twine and placed in bundles and set out without obstructing the sidewalk.*
- *Individual bundles should weigh no more than 50 lbs. and be no longer than 4-feet.*

Thank you in advance for your cooperation and for helping to keep Castlewood such a great place to live!
