Just a friendly reminder. The Association does not employ pool monitors or lifeguards.

If you see any behavior that has the potential to be dangerous, if you witness vandalism anywhere in the community, or encounter a group at the pool that is rough housing, cursing, consuming alcohol or drugs, or any behaviors that would prevent residents from safely using the pool or other amenities please call the City of Highland Village Police Department at 972-317-6551 immediately. You can remain anonymous.

You can follow up with Spectrum after you have notified the police at contact@spectrumam.com. The association cannot discuss any actions against a homeowner or individual. Details from your report will be used to establish a timeline, review surveillance cameras, and access logs, and follow up with HVPD as needed.

Per the City of Highland Village, all gates that provide access to a pool must always remain locked and secure. Propping open a gate is strictly forbidden. Propping open gates also damages the gate itself preventing it from automatically swinging shut. Each summer your assessments go towards repairing the gates numerous times during pool season. If you see an open gate, CLOSE IT!

In the event of a true emergency call 911.
