2026 Pool Season

We are excited to kick off the 2026 pool season! The pool will open on May 1, 2026, and remain open through September 30, 2026. We encourage you to dig out those pool fobs or pool cards and ensure they work ahead of the pool season. If your device no longer works, Shayla will be happy to assist you. The onsite office is open Monday and Wednesday from noon to 6 PM, and Friday from noon to 4 PM. If you need a new or replacement device, Shayla can assist with this as well.

Residents must be current on annual assessments to have access to the amenities. If your account is currently past due, please be sure to pay your balance before stopping by the office.

During the off-season, we replaced the wood in the deck joints with mastic and are still enjoying the new and improved look from the pool replaster last season.

We look forward to seeing you at the pool!

Spring Community Wide Garage Sale

Time to clean out those closets and do some spring cleaning. The community wide garage sale will be held on **April 25, 2026**. A banner will be placed at the main entrance to attract customers. Residents set their own hours.

Calling the Class of 2026

If you have a graduating senior, be sure to submit a picture and brief bio and/or message from your family no later than **April 20, 2026**.

The special color edition of the Castlewood Connection will feature the class of 2026 and will be sent via regular mail to all residents in the community.

Send your information to: smead@spectrumam.com

If you do not receive a confirmation email, please check back with the on-site administrator. Once the newsletter has been sent to the printer, no additions can be made.

Fonts, picture size, and arrangement will be made by the community manager so that all submissions receive equal space in the newsletter.

Please submit a photo of the graduate along with the dedication message you would like included in the newsletter. **Only one picture per graduate.**

Improvement Requests

Are you planning on undertaking any projects this winter or spring? If so, please remember to submit an Architectural Control Committee (ACC) request before beginning your project. This step is essential to ensure everything goes smoothly and aligns with our community guidelines.

To submit your request, simply log into your Spectrum account. Once you have received approval, you are all set to start your project. Please remember that even "like for like" improvements require prior authorization.

Our amazing volunteers on the committee are dedicated to providing quick responses, typically within 7 days or less. The process is straightforward and painless, ensuring there are no issues once you get started.

Thank you for being such great neighbors and for your cooperation in maintaining the beauty and harmony of our community.
