Just a friendly reminder. The Association does not employ pool monitors or lifeguards.

If you see any behavior that has the potential to be dangerous, if you witness vandalism anywhere in the community, or encounter a group at the pool that is rough housing, cursing, consuming alcohol or drugs, or any behaviors that would prevent residents from safely using the pool or other amenities please call the City of Highland Village Police Department at 972-317-6551 immediately. You can remain anonymous.

You can follow up with Spectrum after you have notified the police at contact@spectrumam.com. The association cannot discuss any actions against a homeowner or individual. Details from your report will be used to establish a timeline, review surveillance cameras, and access logs, and follow up with HVPD as needed.

Per the City of Highland Village, all gates that provide access to a pool must always remain locked and secure. Propping open a gate is strictly forbidden. Propping open gates also damages the gate itself preventing it from automatically swinging shut. Each summer your assessments go towards repairing the gates numerous times during pool season. If you see an open gate, CLOSE IT!

In the event of a true emergency call 911.

Improvement Requests

Are you planning on undertaking any projects this winter or spring? If so, please remember to submit an Architectural Control Committee (ACC) request before beginning your project. This step is essential to ensure everything goes smoothly and aligns with our community guidelines.

To submit your request, simply log into your Spectrum account. Once you have received approval, you are all set to start your project. Please remember that even "like for like" improvements require prior authorization. Our amazing volunteers on the committee are dedicated to providing quick responses, typically within 7 days or less. The process is straightforward and painless, ensuring there are no issues once you get started.

Thank you for being such great neighbors and for your cooperation in maintaining the beauty and harmony of our community.
